

## Children's Chorus of Carroll County

October '08 Newsletter/c4notes.com

**BC Parents:** The Theater room at the church is acoustically challenging because there are no cushy surfaces, except clothing and bodies. As an attempt to help with this problem, please have your Chorus member tuck a fluffy towel in his/her tote bag. We will put these on the back of the chairs and see if it helps with the sound.

**Grants:** The Chorus is applying for grants to Black and Decker, Nationwide Insurance and M&T Bank. If any of you are employed by these companies, you could help us with this process. Please contact Diane Jones, [msmoosic@gmail.com](mailto:mismoosic@gmail.com), at your earliest convenience.

**Sing-In:** Pictures will be taken at the Sing-In with members in complete formal uniform. Envelopes will go home before the Sing-In with information on ordering pictures, and, don't forget that they make nice grandparent gifts. All members should arrive in formal uniform and bring a change of clothes for rehearsal after the pictures are taken. Music Makers will be photographed at 2:45pm. and should arrive at that time. They will stay for special activities until 4:00pm. Parent pick-up for all children is 4:00pm.

**Printer Cartridges:** We will be collecting used printer cartridges again this year. Look for the bin in the common area outside of Grace Hall (the area where the LPV's and DB's sign-in).

### **Upcoming Events:**
